

ADDENDUM #1

TO THE BID DOCUMENTS FOR THE POLICE & FIRE STATION ROOFING PROJECTS

TO: ALL REQUEST FOR BID DOCUMENT HOLDERS

DATE: April 10, 2024

Submit bids for this work with the understanding and full consideration of this addendum. The revisions declared in the addendum are an essential part of the contract.

The following specifications take precedence over those listed in the March 2024 version of ARTICLE II - SPECIFICATIONS:

1. Deduct ½" HD cover board from original specifications - no longer allowed due to electrical located under the deck on both facilities
2. Deduct .060 LSFR EPDM
3. Add in .060 Reinforced EPDM
4. Deduct Fully adhered EPDM
5. Add in Ballast reroof system.

ADDITION:

1. Roof drains on Fire Station will need to be changed out with new Zurn drains provided and installed by plumber and outside the bid scope of the roof.
2. Emergency communication towers and electrical lines on Police Station will need to be moved by qualified company and outside the scope of the roof bid.

Bids for this work **will be opened 2:00 p.m. Wednesday, April 17, 2024**
at the City of Norfolk Administration Building, 309 N 5th Street.
