Benjamin Avenue Open to Traffic

Benjamin Avenue is now open to traffic from 13th to 1st Street. The intersection at Riverside Boulevard is also open to traffic. Some additional work will continue in the next few weeks to finish pavement markings and install the permanent traffic signals.

Outstanding work to be completed in the spring will include installing the remaining street lighting on the south side of Benjamin, planting trees and landscape beds, installing sod, and completing the new crosswalk at 13th Street.

If you have any questions, please contact the Engineering Division at 402-844-2020.
