(Written in Words)

The undersigned, should this proposal be accepted, agrees to enter into contract within ten (10) days from the date of the award in prescribed form and with good and sufficient surety.

All work must be completed by September 1, 2020. For each calendar day that work shall remain uncompleted after the date, the amount of One Hundred Fifty (\$150) dollars per calendar day will be assessed not as a penalty, but as a predetermined and agreed amount to be used in part to pay additional expenses incurred by the City after the end of the contract period.

We have herewith submitted a bid bond or certified check on a bank whose deposits are insured by the Federal Deposit Insurance Corporation in the amount of \$_____, being five percent (5%) of the amount of the proposal, which shall become the property of the City of Norfolk, Nebraska, in case the undersigned fails to enter into a valid contract within ten (10) days with the City.

The bid security (i.e. bid bond or certified check) as outlined in Articles I and III of these specifications shall be submitted in a **separate envelope** along with the proposal. The bid security shall be clearly marked and accessible without needing to open the envelope containing the proposal. Any proposal that does not have bid security as outlined above will not be accepted and is subject to rejection.

In submitting this proposal, the contractor further states that he is complying with, and if awarded a contract, will continue to comply with fair labor standards as defined in 73-104, R.S. Nebraska Statutes in pursuit of his business and in execution of this contract on which he is bidding.

The bidder hereby acknowledges receipt of Addenda No. _____ through No. _____.

The City of Norfolk, Nebraska, reserves the right to waive informalities and to reject any or all bids, or portions of any or all bids.

Respectfully submitted,
