

# GARAGE SALE SIGN REQUIREMENTS

(Miscellaneous other signs are included in these requirements.)

## 1. Garage sale signs shall not be placed within any right-of-way

The right-of-way line is typically located on the house or private property side of the sidewalk. In locations where a sidewalk is not present, a minimum setback of 25 feet shall be maintained when measured from the curb or street edge. All signs placed in the right-of-way are subject to immediate removal by the City of Norfolk. Signs are not permitted to be placed on utility poles, signal light poles, and traffic control sign posts. Citations may be issued for signs placed within the right-of-way.

## 2. Size and location

Garage sale signs shall not exceed 8 square feet in area and shall be set back a minimum of 5 feet from the right-of-way line.

## 3. Duration

Garage sale signs shall be removed within 24 hours of the completion of the garage sale.
