## PLANNING COMMISSION MEETING

The Norfolk Planning Commission of the City of Norfolk conducted a public meeting in the City Council Chambers, 309 N. 5th Street, on the 22nd day of November, 2016, beginning at 7:30 a.m.

The Planning Commission Chairman, Brian Lundy, called the meeting to order and informed the public about the location of the current copy of the Open Meetings Act posted in the meeting room and accessible to members of the public.

Chairman Lundy presided and the Planning Commission Secretary Stacey Hansen digitally recorded the audio of the proceedings.

Roll call found the following Commission Members present: Frank Arens, Barb Marsh, Sue Beckman, Brian Lundy, Maynard Ohl, Martin Griffith, and Bill Fisher. Absent: Dan Spray and Merlin Milander.

A quorum was declared by the Secretary.

Staff members present were: City Planner Val Grimes, City Engineer John Heine, Trent Howard and Susan Hansen.

### Current Business

Chairman Lundy allowed Dick Johnson, authorized agent for Gerhold, Inc., to request that items 6, 7, 8, and 9 be pulled off the agenda.

Commissioner Beckman moved, seconded by Commissioner Marsh to approve the agenda with the requested changes.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

Commissioner Ohl moved, seconded by Commissioner Griffith to approve the November 8, 2016 meeting minutes.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

## Waivers

### Hard Surfacing Waiver for Paul Feilmeier at 3201 W Eisenhower Avenue

The application request for the Feilmeier hard surfacing modification was tabled at the October 18, 2016 Planning Commission meeting.

Commissioner Beckman moved, seconded by Commissioner Fisher to un-table the request to allow discussion and action by the Planning Commission.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

City Planner Valerie Grimes reviewed the code as it currently reads requiring hard surfacing and addressed the code changes that have been discussed by a subcommittee of City Council members and Planning Commission members. Discussion at the subcommittee meeting included considering the possibility of changing the hard surfacing requirement to 75' feet long by 10' feet wide to address long ingress and egress drives. This code change has not been formally introduced as an amendment.

City Engineer John Heine added that the discussion also included addressing driveways going onto gravel roads, with the consideration to require the ingress and egress to be hard surfaced when the street was improved to hard surfacing.

Paul Feilmeier, applicant, spoke to his request.

Further discussion included the clarification that Eisenhower Avenue is currently a hard surfaced street. John Heine added explanation to why hard surfacing is required of new developments.

Commissioner Beckman moved, seconded by Commissioner Arens to recommend approval of the modification to the hard surfacing requirements calling for the property owner to hard surface a minimum of 75 feet long by 10 feet wide.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

### Hard Surfacing Waiver for Matthew B. and Amanda M. Gilmore at 1406 Channel Road.

Matt Gilmore, applicant, spoke to his project and uniqueness of his property in regard to his waiver request.

Dan Geary, property owner of land providing easement to the Gilmore property, shared his support of the waiver request and his plan for the future of the property.

Commissioner Beckman moved, seconded by Commissioner Marsh to recommend approval of the modification to the hard surfacing requirements calling for the property owner to hard surface a minimum of 75 feet long by 10 feet wide.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

Hard Surfacing Waiver requested by Brian Koch for property located at 105 Grandview Road

John Heine spoke to the project, the addition of an accessory building at 105 Grandview Road, which has triggered the hard surface requirement at this location. The driveway at this location connects to a gravel road.

Commissioner Arens moved, seconded by Commissioner Beckman to recommend approval of the temporary waiver of hard surfacing requirements until Grandview Road is hard surfaced, at which time the property owner will have one year to comply with the city code hard surfacing requirements.

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

**Other Business**

Blight and Substandard Determination Study for an area referred to as the "Northwest Corner of 13<sup>th</sup> Street & Omaha Avenue Redevelopment Area".

Andy Colvin, City of Norfolk Economic Development Director, presented a description of the area included in the study, the benefit for redevelopment and spoke in favor of the study and determination of the area as blight and substandard.

Jan Merrill, NENEDD, reviewed the criteria that the study compiled qualifying the area for blight and substandard designation.

Commissioner Beckman moved, seconded by Commissioner Arens to recommend approval of the Blight and Substandard Determination Study for an area referred to as the "Northwest Corner of 13<sup>th</sup> Street & Omaha Avenue Redevelopment Area".

Roll Call: Commission Members: Ayes: Arens, Marsh, Beckman, Lundy, Ohl, Griffith, and Fisher. Nays: None. Absent: Spray and Milander. Motion carried (7-0).

There was no other discussion and Chairman Lundy declared the meeting adjourned at 8:29 a.m.

Conditional Use Permit

Justification Form B attachment

The applicant, who lives next door to the property, runs an internet based accounting business and has three employees. The business' clients are not local so very few clients come to the physical office, most of the business is completed via the internet. Traffic would consist of the business' three employees. Also, because the business is mostly online, there is no need for visibility or signage.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF NORFOLK, NEBRASKA:

Section 1. That Section 27-2 of the Official City Code be and the same is hereby amended to read as follows:

**Sec. 27-2. Definitions.**

For the purpose of this chapter, the following words and terms as used herein are defined. Certain articles or divisions contain definitions which are additional to those listed herein. Words in the present tense shall include the future; the singular shall include the plural and the plural the singular; the word "structure" shall include the word "building," and the word "shall" is mandatory.

*Abandonment* shall mean to cease or discontinue a use or activity without intent to resume as distinguished from short term interruptions such as during periods of remodeling, maintenance or normal periods of vacation or seasonal closure.

*Abutting* shall mean to border on, being contiguous with or have property or district lines in common, including property separated by an alley.

*Access* shall mean a way or means of approach or entrance, a means of ingress or egress.

*Accessory building* (see Building, accessory)

*Accessory structure* shall mean a detached subordinate structure located on the same lot with the principal structure, the use of which is incidental and accessory to that of the principal structure.

*Accessory use* shall mean a subordinate use which serves an incidental function to that of the main use of the premises.

*Active recreation* shall mean a recreational activity requiring physical exertion such as swimming, tennis, soccer, baseball, softball, running and playgrounds.

*Addition* shall mean any construction which increases the size of a building or structure.

*Adjacent* shall mean near to or in the vicinity with or without touching or bordering upon.

*Adult entertainment businesses* shall mean any business activity which offers the opportunity to view specified sexual activities or view and touch specified anatomical areas in a manner that lacks serious literary, artistic, political, or scientific value. This category includes the sale or viewing of visual or print materials that meet this criteria if the sale of such material constitutes more than 20% of the sales or retail floor area of the establishment. For the purposes of this definition, specified anatomical areas include the following if less than opaquely covered: human genitals, the pubic region, pubic hair, or the female breast below a point immediately above the top of the areola. Specified sexual activities include any of the following conditions:

- (1) Human genitals in a state of sexual stimulation or arousal.
- (2) Acts or representations of acts of human masturbation, sexual intercourse with humans or animals, oral sex, or flagellation.
- (3) Fondling or erotic touching of human genitals, pubic region, buttock, or female breast.
- (4) Excretory functions as part of or in connection with any activities set forth in (1) through (3) above.

Typical uses include retail services or stores which are distinguished by an emphasis on activities or materials that emphasize primarily sexual content in their inventory and marketing practices; businesses which offer live performances characterized by exposure of specified anatomical areas; and adult theaters. Businesses may be classified as adult entertainment businesses without regard to service of alcoholic beverages.

*Agricultural and farm buildings and structures* shall mean any building or structure which is necessary or incidental to the normal conduct of a farm including but not limited to residence of the operator, residence of hired men, barns, buildings and sheds for housing livestock, poultry and farm machinery, buildings for the storage or shelter of grain, hay and other crops, silos, windmills and water storage tanks.

*Agriculture* shall mean the use of a tract of land for the growing of crops, pasturage, nursery, or the raising of poultry, including the structures necessary for carrying out farming operations, the residence or residences of those owning or operating the premises, a member of the family thereof, or persons employed thereon, and the family thereof, but such use shall not include feedlots. The raising of livestock and poultry shall be an agricultural use if the area in which the livestock or poultry is kept is ten (10) acres or more in area.

*Agronomic Rates* shall mean the application of plant nutrients, from all sources, to meet, but not exceed, the estimated annual nutrient needs of the crop being produced, based upon past or projected yields, so as to avoid build-up of nutrients including, but not limited to, nitrate, chloride, ammonia and phosphorus. Determination of the agronomic rate shall include the available nutrients in the soil, the nitrogen content of any irrigation water, and the nutrient content of any animal wastes, sludges and commercial fertilizer to be applied.

*Airport* shall mean an area designed and set aside for the landing and takeoff of aircraft, including all necessary facilities for housing and maintenance of aircraft. (also see Heliport)

*Alley* shall mean a dedicated public right-of-way, the right-of-way of which is twenty (20) feet or less in width, other than street, which provides only a secondary means of access from the abutting property, to the street.

*Alteration* shall mean any change, addition or modification in construction or occupancy of an existing structure.

*Alteration, structural* (see Structural alteration)

*Amusement arcade* shall mean a building or a part of a building where five or more pinball machines, video games, or other similar player-orientated amusement devices are available and are maintained for use.

*Animal hospital* (see Hospital, animal)

*Animals, domestic* (see Household pet)

*Animals, farm* shall mean livestock associated with agricultural uses, commonly kept or raised as a part of a farming operation including but not limited to horses, cattle, sheep, swine, goats, chickens and turkeys.

*Antenna* shall mean any attached or external system of wires, poles, rods, reflecting disks or similar devices used for the transmission or reception of electromagnetic waves. (also see Satellite dish antenna and Tower)

*Apartment* shall mean a room or a suite of rooms within an apartment house or multiple-family dwelling arranged, intended or designed for a place of residence of a single-family or group of individuals living together as a single housekeeping unit. (also see Dwelling unit)

*Apartment hotel* shall mean a multiple-family dwelling under resident supervision which maintains an inner lobby through which all tenants must pass to gain access to the apartments and which may furnish services ordinarily furnished by hotels, such as drug store, barber shop, beauty parlor, shoeshine shop, cosmetologists shop, cigar stand or newsstand, when such uses are located entirely within the building with no entrance from the street nor visible from any public sidewalk, and having no sign or display visible from the outside of the building indicating the existence of such use.

*Apartment house* (see Residential uses)

*Approved lot* (see Lot, approved)

*Aquifer* shall mean a geological unit in which porous and permeable conditions exist and thus are capable of bearing and producing usable amounts of water.

*Aquifer recharge area* shall mean an area that has soils and geological features that are conducive to allowing significant amounts of surface water to percolate into groundwater.

*Architectural canopy sign* (see Sign, architectural canopy)

*Arterial street* (see Street, arterial)

*Attached permanently* shall mean attached to real estate in such a way as to require dismantling, cutting away, unbolting from permanent foundation or structural change in such structure in order to relocate it to another site.

*Automobile service station* (see Service station)

*Automobile wrecking yard* shall mean the dismantling or wrecking of used motor vehicles or trailers, or the storage, sale, or dumping of dismantled or wrecked vehicles or their parts. The presence on any lot or parcel of land of two or more vehicles, which, for a period exceeding 30 days, have not been capable of operating under their own power and from which parts have been or are to be removed for reuse or sale, shall constitute prima facie evidence of an automobile wrecking yard. (also see Junkyard)

*Bar* shall mean any establishment whose principal business is serving alcoholic beverages at retail for consumption on the premises. (also see Nightclub)

*Basement* shall mean that portion of a building which is partly or completely below grade.

*Bed and breakfast inn* shall mean a house, or portion thereof, where short-term lodging rooms and meals are provided. The operator of the inn shall live on the premises or in adjacent premises.

*Bedroom* shall mean a room within a dwelling unit planned and intended for sleeping, separable from other rooms by a door.

*Best interest of community* shall mean interests of the community at large and not interest of the immediate neighborhood.

*Billboard* (see Sign, billboard)

*Block* shall mean a tract of land within a subdivision bounded by streets, streams, railroads, the exterior boundaries of the subdivision, or any combination thereof.

*Block frontage* shall mean that section of a block fronting on a street between two intersecting streets or other block boundary.

*Board of adjustment* shall mean that board which has been created by the city and which has the statutory authority to hear and determine appeals, interpretations of and variances to the zoning regulations.

*Boarding/Rooming House* shall mean the use of a site for the residence of more than three unrelated persons, not otherwise defined as a family in which occupants are accommodated in rooms not defined as dwelling units.

*Borrow pit* shall mean any place or premises where dirt, soil, sand, gravel or other material is removed below the grade of surrounding land for any purpose other than that necessary and incidental to site grading or building construction.

*Broadcasting tower* shall mean a structure for the transmission or broadcast of radio, television, radar, or microwaves which exceeds the maximum height permitted in the district in which it is located; provided, however, that noncommercial radio towers not exceeding fifty (50) feet in height shall not be considered broadcast towers.

*Buffer* shall mean a strip of land established to protect one type of land use from another incompatible land use or between a land use and a private or public road. (also see Screening)

*Building* shall mean any structure having a roof and walls, and used, or intended for the enclosure, shelter, or protection of persons, animals, chattels, or property. (also see Structure)

*Building, accessory* shall mean any detached subordinate building which serves a function customarily incidental to that of the main building or main use of the premises. Customary accessory building includes garages, carports, and small storage sheds.

*Building coverage* (see Lot coverage)

*Building, height* shall mean the vertical distance above grade to the highest point of the coping of a flat roof or to the deck line of a mansard roof, or to the average height of the highest gable of a pitched, hipped, or shed roof, measured from the highest adjoining sidewalk or ground surface within a five (5) foot horizontal distance at the exterior wall of the building. (also see Height)

*Building line* shall mean a line parallel to the lot line, beyond which a building or land use cannot extend according to the terms of the applicable district regulations. (also see Setback and Yard)

*Building moratorium* shall mean a period of time established by the city council when no construction, additions, improvements or subdivision shall occur within a given area.

*Building, principal* shall mean a building within which the main or primary use of the lot or premises is located. (also see Principal use)

*Building sign* (see Sign, building)

*Bulk Storage* shall mean the storage of materials for distribution to other locations and not for use or consumption of such materials on the premises.

*Business use* shall mean all uses of land, buildings or structures other than agricultural, residential, public, semi-public or industrial uses.

*Camper Campground* (see Recreational vehicle) shall mean a parcel of land intended for the temporary occupancy of tents, campers and major recreational vehicles and which primary purpose is recreational, having open areas that are natural in character.

*Car wash* shall mean a building or structure or an area of land with machine or hand operated facilities for the cleaning, washing, polishing, or waxing of motor vehicles.

*Carry out restaurant* (see Restaurant, fast food and Restaurant, drive-in)

*Cemetery* shall mean a tract of land used or intended to be used for the burial of the dead, including columbariums, and mausoleums when in conjunction with and located within the boundaries of the cemetery.

*Charitable* shall mean a public or semi-public institutional use of a philanthropic, charitable, benevolent, religious or eleemosynary character, but not including sheltering or caring of animals.

*Church* shall mean a place where religious worship is conducted including accessory uses as schools, day care centers, bingo parlors and halls.

*City* shall mean City of Norfolk, Nebraska.

*City council* shall mean the City Council of the City of Norfolk, Nebraska.

*Clear view zone* shall mean the area of a corner lot closest to the intersection which is kept free of visual impairment to allow full view of both pedestrian and vehicular traffic. (also see Sight triangle)

*Clinic* shall mean a building designed and used for the examination, diagnosis and treatment of human patients and not including overnight care facilities.

*Closed sign* (see Sign, closed)

*Club* shall mean a nonprofit organization with limited membership which is controlled by the membership into which admission can only be obtained by invitation, and in which the property is owned in common or held for the benefit of the members.

*Cocktail lounge* (see Bar)

*Collector street* (see Street, collector)

*Commercial use* shall mean an occupation, employment, or enterprise that is carried on for profit by the owner, owners, lessee or licensee.

*Commission* shall mean the Norfolk Planning Commission.

*Common area* shall mean that area within a development not occupied by buildings, owned in common by property owners within the development, designed and intended to provide access, parking, required yards, walkways, and services to the residents of the development. Common area does not apply as open space nor common open space. (also see Open space, common)

*Common open space* (see Open space, common)

*Community center* shall mean a place, structure or other facility used for and providing either religious, fraternal, social, and/or recreational programs generally open to the public and designed to accommodate and serve various segments of the community.

*Community sanitary sewer system* shall mean an approved central sewer collecting system, meeting state and city requirements, available to each platted lot and discharging into a treatment facility. This does not include individual septic systems.

*Community water supply system* shall mean a public water supply system which serves at least fifteen service connections used by year round residents or regularly serves 25 or more year round residents.

*Compatible uses* shall mean a land use which is congruous with, tolerant of, and has no adverse effects on existing neighboring uses. Incompatibility may be affected by pedestrian or vehicular traffic generation, volume of goods handled and environmental elements such as noise, dust, odor, air pollution, glare, lighting, debris generated, vibration, electrical interference and radiation.

*Comprehensive plan* shall mean the Comprehensive Plan of Norfolk, Nebraska as adopted by the Norfolk City Council, setting forth policies for the present and foreseeable future community welfare as a whole and meeting the purposes and requirements set forth in Section 19-903, R.R.S. 1943, as the same may, from time to time, be amended.

*Concept plan* (see Site plan)

*Conditional use* shall mean a use where allowed by the district regulations, that would not be appropriate generally throughout the zoning district without restrictions, but which, if controlled as to number, size, area, location, relation to the neighborhood or other minimal protective characteristics would not be detrimental to the public health, safety and general welfare.

*Conditional use permit* shall mean a permit issued by the planning commission that authorizes the recipient to make conditional use of property in accordance with the requirements of this chapter as well as additional requirements imposed by the commission.

*Condominium* shall mean an estate in real property consisting of an undivided interest in common with other purchasers in a portion of a parcel of real property, together with a separate interest in space in a residential building, such as an apartment. A condominium may include, in addition, a separate interest in other portions of such real property.

*Confinement feeding of livestock and poultry* (see Feedlot)

*Conflicting land use* shall mean the use of property which transfers over neighboring property lines negative economic, or environmental effects, including, but not limited to traffic, noise, vibration, odor, dust, glare, smoke, pollution, water vapor, mismatched land uses and/or density, height, mass, mismatched layout of adjacent uses, loss of privacy, and unsightly views.

*Congregate housing* shall mean a residential facility for four or more persons fifty-five (55) years or over, their spouses, or surviving spouses, providing living and sleeping facilities including meal preparation, dining areas, laundry services, room cleaning and common recreational, social, and service facilities for the exclusive use of all residents including resident staff personnel who occupy a room or unit in the residential facility. (also see Housing for the elderly)

*Conservation areas* shall mean environmentally sensitive and valuable lands protected from any activity that would significantly alter their ecological integrity, balance or character, except in overriding public interest, including but not limited to wetlands, floodways, flood plains, drainage ways, river or stream banks and areas of significant biological productivity or uniqueness.

*Conservation easement* shall mean an easement granting a right or interest in real property that is appropriate to retaining land or water areas predominantly in their natural, scenic, open, or wooded condition and retaining such areas as suitable habitat for fish, plants or wildlife or maintaining existing land uses.

*Convenience food sales* (see food sales)

*Copy areas* (see Sign, copy area)

*Corner lot* (see Lot, corner)

*Country club* shall mean buildings and facilities owned and operated by a corporation or association of persons for social and recreational purposes, but not operated for a profit. The affairs and management of such club are conducted by a board of directors, executive committee, or similar body chosen by the members. It is designed to serve food and alcoholic beverages on such premises to members and their guests, provided that the serving of food and alcoholic beverages is secondary to some other principal purpose of the association or corporation. Customary country clubs include, but are not limited to swimming, tennis and golf course country clubs.

*Court* shall mean an open, unoccupied space, other than a yard, bounded on three (3) or more sides by exterior walls of a building, or by exterior walls of a building and lot lines on which walls are allowable.

*Cul-de-sac* shall mean a local street which is a single continuous stretch of road one end of which is closed and terminated by a circular turn around.

*Curb level* shall mean the mean level of the curb in front of the lot, or in case of a corner lot, along that abutting street where the mean curb level is the highest.

*Curvilinear street* (see Street, curvilinear)

*Dead end street* (see Cul-de-sac)

*Density* shall mean the number of dwelling units per gross acre of land.

*Destination sign* (see Sign, destination)

*Developer* shall mean any person, corporation, partnership or entity that is responsible for any undertaking that requires a building or zoning permit, conditional use permit or sign permit.

*Development* shall mean any manmade change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations for which necessary permits may be required.

*Development area* shall mean an area of land either subdivided or not with three or more homes per nine (9) acres.

*Development concept plan* (see Site plan)

*Development review* shall mean the review, by the city of subdivision plats, site plans, rezoning requests or permit review.

*District* (see Zoning district)

*Dog kennel* (see Kennel, commercial and Kennel, private)

*Domestic animals* (see Household pet)

*Dormitory* shall mean a building used as group living quarters for a student body, religious order, or other group as accessory use to a college, university, boarding school, orphanage, convent, monastery, farm labor camp, or other similar use where group kitchen facilities may be provided to serve all residents.

*Double frontage lot* (see Lot, double frontage)

*Downzoning* shall mean a change in zoning classification of land to a less intensive or more restrictive district such as from commercial district to residential district or from a multiple-family residential district to single-family residential district.

*Drive-in facility* shall mean an establishment where customers can be served without leaving the confinement of their vehicle.

*Drive-in restaurant* (see Restaurant, drive-in and Restaurant, fast food)

*Duplex residential* (see Residential uses)

*Dwelling* shall mean a building or a portion thereof that provides living facilities for one or more families, but not including hotels, motels, boarding or lodging houses and shall include manufactured dwellings. (see also Residential Uses)

*Dwelling (or housing) unit* shall mean a single unit consisting of one or a group of rooms providing complete, independent living facilities for one family, including permanent provisions for living, sleeping, eating, cooking and sanitation.

*Dwelling, secondary* shall mean a living facility located within a detached accessory building which living facility is equipped for cooking and sleeping and which is located on the same lot, parcel, or tract as the main dwelling unit. The secondary living unit may be used by a member of the family or guest of the main dwelling unit.

*Dwelling (or housing) unit, efficiency* shall mean a dwelling unit consisting of one principal room with no separate sleeping room.

*Easement* shall mean the right of a person, government agency, or public utility company to use public or private land owned by another for a specific purpose.

*Educational institution* shall mean a public or nonprofit institution or facility which conducts regular academic instruction at preschool, kindergarten, elementary, secondary and collegiate levels, including graduate schools, universities, junior colleges, trade schools, nonprofit research institutions and religious institutions. Such institutions must either (1) offer general academic instruction equivalent to the standards established by the State Board of Education, or (2) confer degrees as a college or university of undergraduate or graduate standing, or (3) conduct research, or (4) give religious instruction. Private schools, academies or institutes, incorporated or otherwise, which operate for a profit, commercial or private trade schools are not included in this definition.

*Effective date* shall mean the date that this chapter shall have been adopted, amended or the date land areas became subject to the regulations contained in this chapter as a result of such adoption or amendment or the extension of the city's extraterritorial zoning jurisdiction.

*Eleemosynary institution* shall mean an institution supported by charity and designed to assist persons such as those recovering from mental or emotional illness.

*Emergency shelter mission* shall mean a facility which provides temporary housing for one or more individuals who are indigent, needy, homeless or transient.

*Encroachment* shall mean an intrusion or infringement beyond the lines or limits established by the applicable district regulations, and/or to infringe or trespass into or upon the possession or rights of others without permission.

*Enlargement* shall mean the expansion of a building, structure or use in volume, size, area, height, length, width, depth, capacity, ground coverage, or in number.

*Erected* shall mean constructed upon or moved onto a site.

*Expressway* shall mean a street or road which provides fast and efficient movement of large volumes of vehicular traffic between areas and does not provide direct access to property.

*Extraterritorial jurisdiction* shall mean the area beyond the corporate limits, in which the city has been granted the powers by the state to exercise zoning regulations and is exercising such powers.

*Facade* shall mean the exterior wall of a building exposed to public view from the building's exterior.

*Factory* shall mean a structure or plant within which something is made or manufactured from raw or partly wrought materials into forms suitable for use.

*Family* shall mean an individual or married couple and the children thereof with not more than two other persons related directly to the individual or married couple by blood or marriage; or a group of not more than five unrelated persons, living together as a single housekeeping unit in a dwelling unit. The following persons shall be considered related as “children” or “related” for the purpose of this Chapter:

- (a) Persons related by blood, marriage, or adoption.
- (b) Persons residing with a family for the purpose of adoption.
- (c) Not more than eight persons residing with a family for the purpose of receiving foster care from such family, licensed and approved by the State of Nebraska.

A family shall under no circumstances be construed as the occupants of a boarding or rooming house, fraternity or sorority house, club, lodging house, hotel, motel, or commune.

*Family day care* shall mean the provision of services in lieu of parental supervision for children under thirteen (13) years of age for compensation, either directly or indirectly, on the average of less than twelve (12) hours per day, but more than two (2) hours per week, and shall include any employer-sponsored day care, family day care homes, day care centers, before-and-after-school day care programs, before-and-after-school services pursuant to Section 79-444, R.R.S. 1943, as the same may, from time to time, be amended, or preschools or nursery schools; but shall not include casual care at irregular intervals, a recreation camp, classes or services provided by a religious organization other than day care or preschool or nursery schools, a preschool program conducted in a school approved pursuant to Section 79-328, R.R.S. 1943, as the same may, from time to time, be amended, or child care as defined in Section 79-1901, R.R.S. 1943, as the same may, from time to time, be amended.

*Farming* shall mean the planting, cultivating, harvesting and storage of grains, hay or plants commonly grown in Nebraska.

*Feedlot* shall mean any tract of land or structure, pen, or corral, wherein cattle, horses, sheep, goats or swine are maintained in close quarters for the purpose of fattening such livestock for final shipment to market.

*Flea market* shall mean a building or open area in which stalls or sale areas are set aside, and rented or otherwise provided, and which are intended for use by various unrelated individuals to sell articles that are either new, old, homemade, homegrown, handcrafted, obsolete, or antique and may include the selling of goods at retail by businesses or individuals who are generally engaged in retail trade. This definition does not include informal or private garage or yard sales.

*Flood plain* (see Sec. 27-241 et seq. of this Code for all definitions relating to flood plain regulations and management)

*Floor area, gross* shall mean the sum of the areas of the several floors of a building, including areas used for human occupancy in basements, attics, and penthouses, as measured from the exterior faces of the walls. It does not include cellars, unenclosed porches, or attics not used for human occupancy, or any floor space in accessory buildings or in the main building intended and designed for the parking of motor vehicles in order to meet the parking requirements of this bylaw, or any such floor space intended and designed for accessory heating and ventilating equipment. It shall include the horizontal area at each floor level devoted to stairwells and elevator shafts.

*Floor area ratio* shall mean the maximum percentage of allowable floor area of a building or a group of buildings on the same lot, computed by dividing the floor areas by the area of the lot.

*Food sales* shall mean the establishments or places of business primarily engaged in the retail sale of food or household products for home consumption or use. Food sales establishments may include the sale of non-food items. However, the sales of non-food items may account for no more than the lesser of 25% of the sales area or 10,000 square feet of the food sales establishment. Typical uses include groceries, delicatessens, meat markets, retail bakeries, and candy shops.

1. Convenience food sales: Establishments occupying buildings of less than 5,000 square feet; and characterized by sales of specialty foods or a limited variety of general items, and by the sales of fuel for motor vehicles.
2. Limited food sales: Establishments occupying buildings of less than 10,000 square feet; and characterized by sales of specialty foods or a limited variety of general items, but excluding the accessory sale of fuel for motor vehicles. Typical uses include delicatessens, meat markets, retail bakeries, candy shops, small grocery stores.

3. General food sales: Establishments selling a wide variety of food commodities and related items, using facilities larger than 10,000 but less than 40,000 square feet. Typical uses include grocery stores and locker plants.
4. Supermarkets: Establishments selling a wide variety of food commodities, related items, and often providing a variety of non-food goods and services, using facilities larger than 40,000 square feet. Typical uses include large grocery stores.

*Freestanding sign* (see Sign, freestanding)

*Front lot line* (see Lot line, front)

*Front yard* (see Yard, front)

*Frontage* (see Lot frontage)

*Funeral home* shall mean a building or part thereof used for human funeral services. Such building may contain space and facilities for (1) a funeral chapel; (2) embalming and the performance of other services used in preparation of the dead for burial; (3) the performance of autopsies and other surgical procedures; (4) the storage of caskets, funeral urns, and other related funeral supplies; (5) the storage of funeral vehicles; and (6) facilities for cremation.

*Garage, private* shall mean an accessory building designed or used for the storage of not more than four (4) motor vehicles without provisions for repairing or servicing such vehicles for profit.

*Garage, public* shall mean a building designed and used for the storage of over four (4) motor vehicles and operated as a business enterprise with a service charge or fee being paid to the owner or operator for the parking or storage of privately owned vehicles, campers or motor powered boats.

*Garage, repair* shall mean a building designed and used for the storage, care, repair, or refinishing of motor vehicles including both minor and major mechanical overhauling, paint, and body work. (also see Service station)

*Garbage* shall mean any waste food material of an animal or vegetable nature, including that which may be used for the fattening of livestock.

*Gasoline and diesel service stations* (see Service station)

*General food sales* (see Food sales)

*Generator, traffic* shall mean a use of land which generates large concentrations of population during designated periods of time.

*Glare* shall mean a sensation of brightness within the visual field that causes annoyance, discomfort, or loss in visual performance and/or visibility.

*Grade* shall mean the average of the finished ground level at the center of all walls of a building. In case walls are parallel to and within five feet of a sidewalk, the ground level shall be measured at the sidewalk.

*Greenhouse* shall mean a building or premises used for growing plants, preparation of floral arrangements for off-site delivery to customers, cold storage of flowers or dry storage of materials used for agricultural or horticultural purposes.

*Gross leasable area* shall mean the total floor area designed for tenant occupancy and exclusive use, including basements, mezzanines, and upper floors, measured from the center line of joint partitions and from outside wall faces.

*Ground cover* shall mean plant material used in landscaping which remains less than twelve (12) inches in height at maturity. (also see Landscaping)

*Ground coverage* (see Lot coverage)

*Ground water* shall mean water occurring beneath the surface of the ground that fills available openings in the rock or soil materials such that they may be considered saturated.

*Group care facility* shall mean a facility licensed or approved by the State of Nebraska or other appropriate agency, which provides for the care and short or long-term, continuous multi-day occupancy of more than five unrelated persons who require and receive therapy or counseling on-site as part of an organized and therapeutic ongoing program for any of the purposes listed below. Such facilities shall exclude those uses that fall under the category of group home. Group care facilities include facilities that provide for:

1. Adaptation to living with, or rehabilitation from, the handicaps of emotional or mental disorder or dysfunction; or of mental retardation if such facility has an overnight occupancy of more than eight persons.
2. Rehabilitation from the effects of alcoholism or other substance abuse.
3. Supervision while under a program alternative to imprisonment, including but not limited to pre-release, work-release, and probationary programs.
4. Any residential setting for eligible purposes under the group home use type but including more than eight unrelated residents, unless such facilities have independent living units which permit classification as a multi-family residential use.

*Group home* shall mean a facility licensed or approved by the State of Nebraska in which no more than eight persons, not including resident managers or house parents, who are unrelated

by blood, marriage, or adoption reside while receiving therapy, training, or counseling for the purpose of living with or rehabilitation from a physical, mental, or developmental impairment that substantially limits one or more of such person's major life activities so that such person is incapable of living independently. Persons who have a clinical history of or are regarded as having such an impairment are included as residents under this definition. Examples of group homes include residential or residential therapeutic settings for persons with cerebral palsy or related disabilities, autism, mental retardation or other developmental disabilities; or Alzheimer's or vascular dementia, or similar conditions. The term "group home" shall not include residential settings for the treatment of alcoholism or other substance abuse, work release facilities for convicts or ex-convicts, or other housing serving as an alternative to incarceration.

*Group housing* shall mean two or more separate buildings on a lot, each containing one or more dwelling units.

*Group residential* shall mean the use of a site for the residence of more than three unrelated persons, not otherwise defined as a family, in which occupants are accommodated in rooms not defined as dwelling units. Group residential uses are limited to facilities that are officially recognized or operated by a college or university, government agency, or nonprofit organization. Typical uses include fraternity or sorority houses and dormitories not incorporated into a college and university use type.

*Handicap* shall mean, with respect to a person: (1) a physical or mental impairment which substantially limits one or more of such person's major life activities; (2) a record of having such an impairment; or (3) being regarded as having such an impairment. Handicap shall not include current, illegal use of or addiction to a controlled substance as defined by Section 28-401, R.R.S. 1943, as the same may, from time to time, be amended.

*Hazardous substances* shall mean any substances or materials that, by reason of their toxic, caustic, corrosive, abrasive, or otherwise injurious properties, may be detrimental or deleterious to the health of any person handling or otherwise coming into contact with such material or substance.

*Health care facilities* shall mean a facility licensed or approved by the state or an appropriate agency, if required, used in any of the following: (1) hospitals including offices of medical societies, offices of charitable public health associations and private office space for the practice of medicine and dentistry under a license from the Department of Health of the State of Nebraska; provided, that any such private offices for the practice of medicine and dentistry shall be occupied only by those on the staff of the hospital; (2) convalescent or nursing home; (3) a facility for outpatient physical, occupational, or vocational therapy or rehabilitation; (4) public health clinics and facilities; and (5) ambulatory surgical care center which does not allow for overnight stay by patients. Except as herein provided, health care facilities do not include doctors' or dentists' professional offices and private clinics.

*Health club* shall mean privately owned for profit facilities such as gymnasiums, athletic clubs, health clubs, recreational clubs, reducing salons, and weight control establishments.

*Health/recreation facility* shall mean an indoor or outdoor facility including uses such as game courts, exercise equipment, locker rooms, whirlpool spa and/or sauna and pro shop.

*Height* shall mean the vertical distance above grade from the base of a structure or building to its highest point.

*Heliport* shall mean a designated landing area used for the landing and taking off of helicopters and may include all necessary passenger and cargo facilities, fueling, and emergency service facilities.

*Helistop* shall mean any landing area used for the landing and taking off of helicopters for the purpose of picking up or discharging of passengers or cargo. No fueling, refueling, or service facilities.

*Highest use* (see Use, highest)

*Historic district* shall mean an area containing buildings or places in which historic events occurred or having special public value because of notable architectural or other features relating to the cultural or artistic heritage of the community, of such significance as to warrant conservation and preservation.

*Holding zone* shall mean a zoning district, usually a very low density district, placed on property for the purpose of temporarily holding back the development of land for a more intensive desired use as indicated by the comprehensive plan until such time as community facilities are economically available and thereby avoiding the "leap frogging" of land uses.

*Home occupation* shall mean an occupation, profession, activity, or use that is clearly an incidental and secondary use of a residential dwelling unit, carried on by a member or members of the family who occupy the dwelling for living purposes, which does not alter the exterior of the property or affect the residential character of the neighborhood.

*Homeowners association* shall mean a private, nonprofit corporation or association of homeowners of properties in a fixed area, established for the purpose of owning, operating, and maintaining various common properties and facilities.

*Hospital* shall mean an institution providing health and emergency services of medical or surgical nature to human patients and injured persons and are licensed by the state to provide facilities and services in surgery, obstetrics, and general medical practice.

*Hospital, animal* shall mean a place where animals or pets are given medical or surgical treatment and are cared for during the time of treatment. Use as a kennel shall be limited to short-time boarding and shall be only incidental to such hospital use.

*Hotel* shall mean a building or portion thereof, or a group of buildings, offering transient lodging accommodations on a daily rate to the general public and providing additional services, such as restaurants, meeting rooms, and recreational facilities. The word "hotel" includes motel,

inn, automobile court, motor inn, motor lodge, motor court, tourist court, motor hotel, or other similar designations.

*Household pet* shall mean an animal that is customarily kept for personal use or enjoyment within the home. Household pet shall include but not be limited to domestic dogs, domestic cats, domestic tropical birds, fish, and rodents.

*Housing for the physically handicapped* shall mean a building containing a dwelling or a group of dwellings in which each occupied dwelling unit is occupied by at least one physically handicapped person with a mobility impairment which requires certain construction design features for ingress, egress, and freedom of movement within the premises.

*Impervious surface* shall mean a surface that has been compacted or covered with a layer of material making the surface highly resistant to infiltration by water, such as compacted sand, rock, gravel, or clay and conventionally surfaced streets, roofs, sidewalks, parking lots, and driveways.

*Incidental use* shall mean a use which is subordinate to the main use of a premise.

*Individual septic system* shall mean a wastewater treatment system for a dwelling that has a septic tank and absorption system.

*Industrial park* shall mean a planned coordinated development of a tract of land with two or more separate industrial buildings. The development is planned, designed, constructed, and managed on an integrated and coordinated basis with an enforceable master plan and/or covenants, conditions, and restrictions with special attention to on-site vehicular circulation, parking, utility needs, building design and orientation and open space.

*Industrial solid waste* (see Solid waste, industrial)

*Industrial uses* shall mean uses involved in the manufacture or processing of products. Industrial uses may be classified as light, general, or heavy, depending on their degree of environmental control and utilization of outside storage. The same use, developed in different ways, may be classified in any of these categories.

1. Light industrial uses: Establishments engaged in the manufacture or processing of finished products from previously prepared materials, including processing, fabrication, assembly, treatment, and packaging of such products, and incidental storage, sales, and distribution. Establishments classified as light industrial uses have no measurable or objectively offensive external environmental effects across property lines and include no unscreened or unenclosed outdoor storage. Typical uses include commercial bakeries, dressed beef processing plants, soft drink bottling, apparel assembly from fabrics, electronics, manufacturing, print shops and publishing houses, provided that these uses are operated in such a way as to prevent external effects. These uses are generally located in districts I-1 or I-3 (with no retail sales).

2. General industrial uses: Enterprises engaged in the processing, manufacturing, compounding, assembly, packaging, treatment or fabrication of materials and products from prepared materials or from raw materials without noticeable noise, odor, vibration, or air pollution effects across property lines. General industrial uses may include outdoor storage. These uses are generally located in districts I-1 or I-2.
3. Heavy industrial uses: Enterprises involved in the basic processing and manufacturing of products, predominately from raw materials, with noticeable noise, odor, vibration, or air pollution effects across property lines; or a use or process engaged in the storage of or processes involving potentially or actually hazardous, explosive, flammable, radioactive, or other commonly recognized hazardous materials. These uses are generally located in districts I-2.

*Infill land* shall mean vacant tracts of land surrounded by developed properties containing improvements.

*Inoperable motor vehicle* shall mean any motor vehicle which (1) does not have a current state license plate or (2) which may or may not have a current state license plate, but is disassembled or wrecked in part or in whole, or is unable to move under its own power, or is not equipped as required by Nebraska State Law for operation upon streets or highways. A vehicle which is wholly or partially dismantled shall not be considered inoperable when said vehicle is inside a completely enclosed building.

*Intensity* shall mean the degree to which land is used referring to the levels of concentration or activity in uses ranging from uses of low intensity being agricultural and residential to uses of highest intensity being heavy industrial uses. High intensity uses are normally uses that generate concentrations of vehicular traffic and daytime population and are less compatible with lower intensive uses.

*Interim zoning or development controls* shall mean a process to freeze or severely restrict development for a short period, during which a comprehensive plan for an area or a new set of zoning regulations is prepared.

*Interior lot* (see Lot, interior)

*Junk* shall mean dilapidated or worn out scrap or abandoned metal, paper, building material and equipment, bottles, glass, plastics, appliances, furniture, rags, rubber, motor vehicles or parts thereof, or other waste that has been abandoned from its original use.

*Junkyard* shall mean any area or parcel of land where accumulation of discarded junk, salvaged or salvageable materials are stored, baled, packed, disassembled or handled in any manner. The materials may include, but not be limited to inoperable motor vehicles or vehicle parts, inoperable machinery or equipment or parts, used lumber, or scrap or salvaged metal. An area or parcel of land shall not be considered a junkyard if the material stored thereon is a

permitted accessory use to the main permitted use of the premises. The terms junkyard and salvage yard shall be synonymous. (also see Automobile wrecking yard)

*Kennel, commercial* shall mean an establishment where four (4) or more dogs or cats or any combination thereof, or other household pets are groomed, bred, boarded, trained or sold as a business.

*Kennel, private* shall mean any premises used for the keeping of (4) or less dogs or cats or a combination thereof by the owner/occupant or occupant of the premises for the purpose of show, hunting, or as pets. The dogs and cats shall belong to the owner/occupant or occupant and their keeping shall be accessory to the main use of the premises.

*Kiosk* shall mean a freestanding structure used for the purposes of posting information, notices, announcements and posters of a temporary nature.

*Lagoon* (see Wastewater lagoon)

*Landfill* shall mean a disposal site employing a method of disposing solid wastes in a manner that minimizes environmental hazards in accordance with state and federal requirements.

*Landscaping* shall mean the changing, rearranging, or adding to a piece of land to produce an aesthetic effect appropriate for the use to which the land is put. This may include the reshaping of the land, adding vegetation, sculptures, decorative lighting, structures, decorative surfacing or other enhancement for aesthetical, ecological and environmental reasons. (also see Ground cover)

*Laundry, self-service* shall mean an establishment that provides home-type washing, drying, and/or ironing facilities for customers on the premises.

*Leapfrog development* shall mean the development of cheaper land on the urban fringe by jumping over more expensive land located immediately adjacent to existing development resulting in inadequate or lack of support services such as access to a street system designed to carry high volume traffic, utilities, and other public services such as police, fire, schools and parks, thus adding to the tax burden of the general public and being an uneconomical growth pattern to the community.

*Life care facility* shall mean a facility for the transitional residency of the elderly and/or disabled persons, progressing from independent living to congregate apartment living where residents share common meals and culminating in full health and continuing care nursing home facility.

*Limited food sales* (see Food sales)

*Limited retail services* (see Retail services)

*Livestock* (see Animals, farm)

*Living floor area* shall mean the square foot area of a dwelling unit, excluding the garage, attics and areas within a full basement that do not have ground level access to the outside, as measured between the face of the interior walls.

*Loading space, off-street* shall mean the space logically and conveniently located for bulk pickups and deliveries, scaled to delivery vehicles expected to be used, and accessible to such vehicles when required off-street parking spaces are filled. Required off-street loading space is not to be included as off-street parking space in computation of required off-street parking space.

*Local street* (see Street, local)

*Lodging house* (see Boarding/Rooming house)

*Lot* shall mean a parcel of land occupied by or suitable for occupation by one main building, or a unit group of buildings where specifically authorized within a zoning district, and the accessory buildings or uses customarily incident thereto, including such open spaces as are required under this chapter, and having its principal frontage upon and access to a public street or approved place. A lot as used herein may consist of one or more platted lots, or tracts, as conveyed, or parts thereof when authorized by this chapter.

*Lot, approved* shall mean a lot in separate ownership as of January 1, 1983, whose boundary lines, along their entire length touched lands under other ownership as shown by plat or deed recorded in the office of the Madison County Register of Deeds, on or before January 1, 1983. (also see Lot of record)

*Lot area* shall mean the total horizontal area within the lot lines of a lot.

*Lot, corner* shall mean a lot abutting upon two (2) or more streets at their intersection.

*Lot coverage* shall mean the lot area covered by buildings or roofed areas, excluding allowed projecting eaves, balconies, and similar features.

*Lot depth* shall mean the mean horizontal distance between the front and rear lot lines.

*Lot, double frontage* shall mean a lot having a frontage on two nonintersecting streets as distinguished from a corner lot.

*Lot, flag* shall mean a lot with frontage and access provided to the bulk of the lot by means of a narrow corridor.

*Lot frontage* shall mean the side of a lot abutting on a legally accessible street right-of-way other than an alley. For the purposes of this definition, on corner lots, all sides of a lot adjacent to streets shall be considered frontage.

*Lot, interior* shall mean a lot other than a corner lot bounded only on one side by a street.

*Lot line* shall mean a line dividing one lot from a street, alley or another lot. (also see Street line)

*Lot line, front* shall mean on an interior lot, the lot line abutting a street; on a corner lot, the street line with the least dimension, unless otherwise specified by the zoning official or his or her designee; on a through lot, the street line providing the primary access to the lot; and on a flag lot, the street line providing access to the lot. (also see Yard, front)

*Lot line, rear* shall mean a lot line opposite the front lot line. A lot bounded by only three lot lines will have no rear lot line.

*Lot line, side* shall mean a lot line not a front or rear line. A side lot line may be a party lot line, a line bordering on an alley or place or a street line on a corner lot.

*Lot line, zero* shall mean the location of a detached building on a lot line in such a manner that one or more of the building's sides rests directly on a lot line.

*Lot, nonstandard* shall mean a lot or parcel of land that has less than the required minimum area or width as established by the zoning district in which it is located as of the effective date of this chapter.

*Lot of record* shall mean a lot whose existence, location, and dimensions have been legally recorded in a deed or on a plat in the office of the Madison County Register of Deeds prior to the effective date of zoning in the area where the lot is located. (also see Lot, approved)

*Lot, parking* (see Parking lot)

*Lot, reverse frontage* shall mean a through lot without accessibility from one of the nonintersecting streets upon which it abuts.

*Lot, subdivision identification* shall mean a privately owned and maintained parcel of ground within the right-of-way of a street upon which is located a sign identifying the name of the subdivision.

*Lot, through* (see Lot, double frontage)

*Lot width* shall mean the horizontal distance between side lines, measured at the minimum front yard setback line.

*Machine shop* shall mean a work shop, including tool and die shops, that turns, shapes, planes, mills or otherwise reduces or finishes metal by machine-operated tools.

*Maintenance guarantee* shall mean any security, other than cash, that may be accepted by the city to insure that required improvements will be maintained. (also see Performance guarantee)

*Major highway entrance* shall mean a street or road which provides through traffic movement between and around areas and across the county or city; subject to necessary control of entrances and curb uses. This includes U.S. Highways 81 and 275, and State Highways 35 and 24.

*Street line* shall mean a dividing line between a lot, tract, or parcel of land and the contiguous street.

*Street, local* shall mean a street designed for local traffic which provides direct access to abutting residential, commercial or industrial properties.

*Street, looped* shall mean a continuous local street without intersecting streets and having its two (2) outlets connected to the same street.

*Street, private* shall mean an open, unoccupied space, other than a street or alley dedicated to the public, but permanently established as the principal means of vehicular access to abutting properties. The term "private street" includes the term "place".

*Structural alteration* shall mean any alteration involving a change in or addition to the supporting members of a building, structure, or sign such as bearing walls, columns, beams, girders or poles.

*Structure* shall mean anything constructed or erected which requires permanent location on the ground or which is attached to something having permanent location on the ground, but not including driveways, sidewalks or other surfacing, or public items such as utility poles, street lights, and street signs, or minor landscape features such as bird fountains, clotheslines, landscape lighting, and sculptures.

*Subdivision* shall mean the division of land, lot, tract, or parcel into two or more lots, parcels, plats, or sites, or other divisions of land for the purpose of sale, lease, offer, or development, whether immediate or future. The term shall also include the division of residential, commercial, industrial, agricultural, or other land whether by deed, metes and bounds description, lease, map, plat, or other instrument.

*Subdivision identification lot* (see Lot, subdivision identification)

*Subdivision identification sign* (see Sign, subdivision identification)

*Supermarket* (see Food sales)

*Surface water class A - primary contact recreation* shall mean surface waters which are used, or have a high potential to be used, for primary contact recreational activities. Primary contact recreation includes activities where the body may come into prolonged or intimate contact with the water, such that water may be accidentally ingested and sensitive body organs (e.g., eyes, ears, nose, etc.) may be exposed. Although the water may be accidentally ingested, it

is not intended to be used as a potable water supply unless acceptable treatment is supplied. These waters may be used for swimming, water skiing, canoeing, and similar activities.

*Surface waters* shall mean all waters within the jurisdiction of this state, including all streams, lakes, ponds, impounding reservoirs, marshes, wetlands, watercourses, waterways, springs, canal systems, drainage systems, and all other bodies or accumulations of water, natural or artificial, public or private, situated wholly or partly within or bordering upon the state.

*Tavern* (see Bar)

*Temporary sale* (see Flea market)

*Temporary sign* (see Sign, temporary)

*Temporary use* shall mean a use intended for limited duration to be located in a zoning district not permitting such use.

*Through lot* (see Lot, through)

*Tower* shall mean a structure situated on a site that is intended for transmitting or receiving television, radio, or telephone communication. (also see Antenna)

*Townhouse* (see Residential uses)

*Transitional use* shall mean a permitted use or structure that by nature or level and scale of activity acts as a transition or buffer between two or more incompatible uses.

*Truck repair* shall mean the repair, including major mechanical and body work, straightening of body parts, painting, welding or other work that may include noise, glare, fumes, smoke, or other characteristics to an extent greater than normally found in gasoline service stations, of trucks having a hauling capacity of over one (1) ton and buses but excluding pickups and other vehicles designed for the transport of under eight (8) passengers.

*Truck terminal* shall mean a building or an area in which freight brought by truck is assembled and/or stored for routing or reshipment, or in which semi trailers, including tractor and/or trailer units and other trucks, are parked or stored for a short time period.

*Two-family dwelling* (see Residential uses)

*Upzoning* shall mean a change in zoning classification of land to a more intensive or less restrictive district such as from residential district to commercial district or from a single-family residential district to a multiple-family residential district.

*Use, accessory* (see Accessory use)

*Use, best* shall mean the recommended use or uses of land contained in an adopted comprehensive plan. Such uses represent the best use of public facilities, and promote health, safety and general welfare.

*Use, highest* shall mean an appraisal or real estate market concept that identifies the use of a specific tract of land that is most likely to produce the greatest net return on investment.

*Use, principal* shall mean the main use of land or structures, as distinguished from an accessory use. (also see Building, principal)

*Variance* shall mean a relief from or variation of the provisions of this chapter, other than use regulations, as applied to a specific piece of property, as distinct from rezoning.

*Vehicle* shall mean every device in, upon, or by which any person or property is or may be transported or drawn upon a highway, excepting devices moved solely by human power or used exclusively upon stationary rails or tracks.

*Vehicle, motor* (see Motor vehicle)

*Wall sign* (see Sign, wall)

*Warehouse* shall mean a building used primarily for the storage of goods and materials.

*Warehouse and distribution* shall mean a use engaged in storage, wholesale, and distribution of manufactured products, supplies, and equipment.

*Warehouse, personal storage* (see Self-service storage facility)

*Wastewater lagoon* shall mean a shallow body of water in which organic wastes are decomposed by bacteria in the presence of free oxygen.

*Water Well* shall mean any excavation that is drilled, cored, bored, washed, driven, dug, jetted, or otherwise constructed for the purpose of exploring for ground water, monitoring ground water, utilizing the geothermal properties of the ground, obtaining hydrogeologic information, or extracting water from the underground water reservoir. Water well includes any excavation made for any purpose if groundwater flows into the excavation under natural pressure and a pump or other device is placed in the excavation for the purpose of withdrawing water from the excavation for irrigation (commonly called 'Pit' wells). For such excavations, construction means placing a pump or other device into the excavation for the purpose of withdrawing water for irrigation. Water well does not include:

- a) any excavation made for obtaining or prospecting for oil or natural gas or for inserting media to re-pressure oil or natural gas bearing formations regulated by the Nebraska Oil and Gas Conservation Commission;

- b) any excavation that is used to inject fluid as defined in Nebraska Revised Statutes § 81-1502 into the underground water reservoir; or
- c) any structure requiring a permit by the Department of Natural Resources used to exercise surface water appropriation. [Neb. Rev. Stat. § 46-601.01(1)]

*Waters of the state* shall mean all waters within the jurisdiction of this state, including all streams, lakes, ponds, impounding reservoirs, marshes, wetlands, watercourses, waterways, wells, springs, irrigation systems, drainage systems, and all other bodies or accumulations of water surface or underground, material or artificial, public or private, situated wholly within or bordering upon the state.

*Wetland* shall mean an area that is inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that, under normal circumstances, does support, a prevalence of vegetation typically adapted for life in saturated soil conditions, commonly known as hydrophytic vegetation.

*Wholesale establishment* shall mean an establishment for the on-premises sales of goods primarily to customers engaged in the business of reselling the goods.

*Wholesale trade* shall mean a use primarily engaged in selling merchandise to retailers; to industrial, commercial, institutional, farm or professional business users; or to other wholesalers; or acting as agents or brokers in buying merchandise for or selling merchandise to such persons or companies. The principal types of establishments included are: merchant wholesalers; sales branches and sales offices (but not retail stores) maintained by manufacturing enterprises apart from their plants for the purpose of marketing their products; agents, merchandise or commodity brokers, and commission merchants; petroleum bulk storage, assemblers, buyers, and associations engaged in cooperative marketing of farm products. The chief functions of uses in wholesale trade are selling goods to trading establishments, or to industrial, commercial, institutional, farm and professional; and bringing buyer and seller together. In addition to selling, functions frequently performed by wholesale establishments include maintaining inventories of goods; extending credit; physically assembling, sorting and grading goods in large lots, breaking bulk and redistribution in smaller lots; delivery; refrigeration; and various types of promotion such as advertising and label designing.

*Yard* shall mean the required open space on a lot adjoining a lot line, containing only landscaping or other uses as provided by this chapter.

*Yard, front* shall mean a yard extending along the full width of a front lot line between side lot lines, and from the front lot line to the front building line. There shall be a required front yard of each street side of a corner lot and a double frontage lot. (also see Lot line, front and Lot, corner)

*Yard, rear* shall mean a yard extending across the full width of the rear lot line between side lot lines and from the rear lot line to the rear building line. The depth of the rear yard is measured at right angles to the rear line of the lot. On corner lots, the required rear yard may be

to the rear of either street. On interior lots, the required rear yard shall be at the opposite end of the lot from the front yard. On pointed or irregular lots, the required rear yard shall be comprised of an area that begins at the rear point of the lot and continues to an imaginary line parallel to and farthest from the front lot line, not less than ten feet long and wholly within the lot.

*Yard, side* shall mean a yard between the side lot line and the side building line lying between the front yard and the rear yard.

*Zero lot line* (see Lot line, zero)

*Zoning official* shall mean the person or persons authorized and empowered by the city to administer and enforce the requirements of this chapter. Zoning official as used in this Code shall also include other staff designated by the zoning official to perform any particular function.

*Zoning districts* shall mean areas, as designated on the zoning district map, within the city and within the extraterritorial jurisdiction for which regulations governing the use of buildings, structures and premises, the height of buildings and structures, size of yards, and the intensity of use are uniform.

Section 2. That Section 27-8 of the Official City Code be and the same is hereby amended as follows:

**Sec. 27-8. Comprehensive plan relationship.**

This chapter is designed to implement various elements of the Norfolk Comprehensive Plan as required by state statutes. Any amendment to the district regulations or map shall conform to the comprehensive plan adopted by the city council be enacted only after considering the provisions of the comprehensive plan adopted by the city council.

Section 3. That Section 27-9 of the Official City Code be and the same is hereby amended as follows:

**Sec. 27-9. Compliance generally.**

All requirements in this chapter are mandatory unless stated otherwise or outlined in specific exceptions or variances thereto. The following paragraphs are general requirements, applicable throughout this chapter.

- (1) No building or structure shall be erected, constructed, reconstructed, moved or altered, nor shall any building, structure or land be used for any purpose other than is permitted in the district in which such building, structure or land is situated. If a use is not listed in a specific zoning district, the land use matrix in Sec. 27-401 shall determine the zoning district in which a particular use shall be allowed as a permitted use or a conditional use.

- (2) No building or structure shall be erected, constructed, reconstructed, moved or altered to exceed the height or area limit or violate the yard or parking requirement herein established for the district in which such building or structure is located.
- (3) No lot area shall be reduced or diminished so that the yards or other open spaces shall be smaller than prescribed by this chapter, nor shall the density of population be increased in any manner, except in conformity with the area regulations established herein.
- (4) Every building hereafter erected or altered shall be located on a lot as herein defined and in no case shall there be more than one main building on one lot within a zoning district except as provided herein.
- (5) Except as otherwise provided in this subsection, in all zoning districts, no alcoholic liquor, including beer and wine, shall be sold, either on-sale, or off-sale, within one hundred fifty (150) feet of any church religious assembly, school, hospital, home for aged or indigent persons, home for veterans, their wives or children, or a college or university campus; or within five hundred (500) feet of any city park. The one hundred fifty (150) foot requirement shall be measured from the nearest walls of the buildings in question, and the five hundred (500) foot requirement shall be measured from property line to property line. This subsection shall not apply to any application for a one-day liquor license which may be applied for by a charitable organization or nonprofit corporation. If a proposed location for the sale at retail of any alcoholic liquor is within one hundred fifty (150) feet of any church religious assembly, the retail sale of alcoholic liquor shall be allowed if a license is issued by the Nebraska Liquor Control Commission pursuant to Section 53-177 of the *Nebraska Revised Statutes*.
- (6) The repair, restoring, remodeling, assembly, disassembly, storage or standing of any inoperable vehicle other than in a district permitting and regulating such occurrence is prohibited. Inoperable vehicles may be stored or may stand only in a legally conforming auto wrecking yard, a fully enclosed private garage, or in a fully enclosed storage structure as allowed by this chapter.

Section 4. That Section 27-72 of the Official City Code be and the same is hereby amended as follows:

**Sec. 27-72. Permitted uses - District A.**

In District A, no building, structure, land, or premises shall be used, and no building or structure shall be hereafter erected, constructed, reconstructed, moved, or altered as a permitted use, except for one or more of the following or as provided for in Sec. 27-401:
